

# OCCUPATIONAL HEALTH AND SAFETY POLICY

It is ÇİMTAŞ's goal to apply the Occupational Health and Safety Management System in all of its operations based on a preventive approach and to improve upon the system in line with its mission, vision and values, while creating a healthy and safe working environment.

Our goal is **“Zero Accidents”** and **“Zero Occupational Diseases”**, with particular emphasis on the protection of lives.

In this context, ÇİMTAŞ's committed to:

- Implement the Occupational Health and Safety Management System, which is clear and traceable at all levels and is based on continuous improvement in order to attain and preserve goals related to Occupational Health and Safety;
- Provide the necessary resources to attain the goals and objectives established under the leadership of the department managers;
- Eliminate hazards, minimize occupational health and safety risks, and prevent work accidents and occupational diseases;
- To comply with legal and other requirements regarding compliance obligations;
- In consultation with employees and their representative with regard to standard requirements, and to ensure their involvement.
